## *Verse 1*

Em C G  
Set foot upon this mountain  
Em C G  
But neither here on the ground  
Em C G  
There's no single place to find you  
Em C D  
Since You've torn the curtain down

## *Chorus*

G  
We worship You  
C  
In spirit and in truth  
Em D C  
Show us how to rest in knowing You are here  
G  
We give You thanks  
C  
For all Your ways  
Em G/F# C  
For pouring grace upon the earth to bring us near

## *Verse 2*

Set foot into the desert  
But neither here or on the sea  
There's no single place to find You  
So come with light and make us free
