

WALLS WILL SPEAK

Steve Miller

© 2005 Curiously Strong Music/ASCAP

KEY: C

(Intro)

F E/C – B/C Am

F E/C B/C Am

If you ever wonder

F E/C B/C Am

What's beneath the sand

F E/C B/C Am

On the dirt and the pavement

F E/C B/C Am

On the stain of your hands

F E/C B/C Am

If the sidewalk letters

F E/C B/C Am

Move a different way

F E/C B/C Am

They would say it better

F E/C B/C Am

Then the way we would say

F G

What have you to be alive

F G

When who you are is trapped inside

If the walls could speak

They would tell the tales

Of a wounded love

How she came to fail

We all take heed

But we don't let in

Listen loves comes quiet

And He whispers again
